

MSU Valorant.GG

MSU Valorant is a club at Michigan State University offering a friendly space for Valorant, an FPS game by riot games, a place to interact and play together.

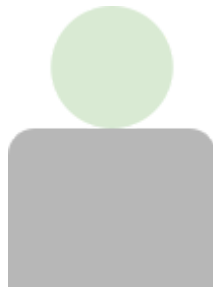

MSU Valorant provides a diversity friendly atmosphere for Valorant players of all skill levels. Along with being a club for casual players, MSU Valorant provides coaching and management for collegiate Valorant esports where gamers can hone their skills for money and other prizes. MSU Valorant provides connections in the esports world where MSU students can get connected with people in the esports world so they can start building a career in the field.
